Vol. 18 No. 2 (2017)

## Acknowledgement

It is with great pride and excitement that *Wacana, Journal of the Humanities of Indonesia*, is able to present the publication of this special double issue with the theme “Chinese Indonesians in historical perspective I and II”. This publication is the result of the efforts of Susi Moeimam of the Editorial Board of *Wacana* in co-operation with Maya H.T. Liem of the CIHC from Leiden, the Netherlands. CIHC’s aim is to collect and preserve the cultural heritage of Chinese Indonesians who have migrated to the Netherlands, therefore part of this double issue consists of especially valuable contributions related to this topic.

*Wacana* wishes to thank all the contributors. Special thanks are due to Rosemary Robson, who as always with extraordinary patience and relentless efforts checked the academic use of English of the articles contributed. *Wacana* expresses its gratitude to Dina Nawangningrum who was responsible for the layout of the articles in intensive cooperation with the editors.
